

Prep Term 2 Newsletter

Welcome back to Term 2!

The children are settling in well, with increasing confidence. They are adapting positively to classroom routines and school life. They have had a wonderful and successful Term 1 and we are looking forward to another fantastic term!

Mornings

We are now inviting students to come inside independently at 8:50 when the first bell goes. A Prep teacher will be outside to support children entering by themselves but we request that parents say their goodbyes in the line up area. This is in line with what happens throughout the rest of the school.

Communication

A reminder that your child's green bag is an important item that must come to school every day. Please check your child's green bag each night for any important notices. You may also wish to email your child's teacher with any questions or concerns. Please expect a response within 24 hours.

Reading Logs and Sight Words

Reading logs and sight words will continue to be checked weekly. Please continue to support your child's learning by assisting them with reading and sight words each night. If you can please remember to enter your child's reading into their reading log that would be greatly appreciated.

Brain Food

Children have 10 mins to have 'Brain Food' and refuel during the morning session (this is separate to their snack time). Please pack some simple fruit or vegetables, i.e. carrot sticks, strawberries, grapes etc. in their lunch boxes to eat. Please don't forget that drink bottles are to be filled with water only.

Hats

Hats are needed until the end of April and are then not needed for the remainder of Term 2, and will be reintroduced in September, to ensure we comply with the SunSmart Policy.

Thank you for your ongoing support.

Amelie Fraser (Prep F)
Tayla Goldspink (Prep G)
Jo Krawczyk and Kate Jackson (Prep KJ)
Anthony Walton (Prep W)
