## Term 4 2023

### Hats

Children are required to wear a broad brimmed hat during Term 4 in line with our schools Sun Smart policy.

### Library Bags

To keep books safe students are required to have a library bag for bringing books to and from the library each week.

### Welcome to Term 4!

A big welcome back to our final term of the year, can you believe it! We hope your family enjoyed the time together and are ready for the final term in Grade 3. We are so pleased with the progress our students have made in their learning, their resilience and their problem solving skills across the year.

### Reading logs and take home books

Students have been provided with a new Term 4 reading log to track their reading each week. We continue to encourage students to record this themselves now that they are familiar with the process in order to build their independence and understanding of different types of texts and their features. In Grade 3, it is an expectation that students are reading their take home books every night after school, or in the morning before school. Reading logs need come to school every day with your child, so the classroom teacher can monitor your child's reading as this is reported on in our semester reports.

### Homework

Grade 3 homework will continue to be sent home each Friday and posted on Compass. It is due back at school the following Wednesday for correction. It has been great to see the high levels of homework completion in Grade 3 – thank you to parents for your support!

### Overview of Learning

Please see our overview of learning document, which provides a week-by-week snapshot of learning in Reading, Writing, Spelling and Maths for this term. We hope this will give you an insight into our teaching and learning focus and will enable you to support your child's learning.

### Important Dates in Term 4
